The Dajjaal (Anti-Christ), Al-Daabbah (the Beast) and Ya'jooj and Ma'jooj (Gog and Magog)

Can you give us an idea about the Dajjaal, Al-Daabbah and Ya'jooj and Ma'jooj?

Praise be to Allaah.

There follows a brief description from the Qur'aan and Saheeh Sunnah narrated from the Prophet (peace and blessings of Allaah be upon him) about these three major signs that will precede the Hour and will come at the end of time just before the Day of Resurrection.

The Dajjaal – a man created by Allaah, who will appear at the end of time because of something that makes Allaah angry. He will spread corruption on earth and will claim divinity, calling on people to worship him. They will be tested by the extraordinary powers that Allaah will grant him, such as causing rain to fall, reviving the earth with vegetation and extracting the treasures of the earth. He will be a young man with a ruddy complexion, short of stature, with curly hair. He will be one-eyed; his right eye will be flat and his other eye will have a thick piece of flesh over it. Written between his eyes will be the word “Kaafir” (disbeliever). Most of those who follow him will be Jews. He will meet his end at the hands of ‘Eesa ibn Maryam (Jesus the son of Mary) who will kill him with a spear in Lod, which is in Palestine.

Ya'jooj and Ma'jooj – two disbelieving tribes from among the sons of Adam. They have wide faces and small eyes. They used to spread mischief on earth, so Allaah gave Dhoo'l-Qarnayn the power to build a barrier to detain them. They will keep on digging at it until Allaah gives them permission to come out at the end of

time, after ‘Eesa (peace be upon him) has killed the Dajjaal. They will emerge in huge numbers and will drink up the lake of Tiberias (in Palestine). They will spread mischief on earth and no one will be able to resist them. ‘Eesa (peace be upon him) and the believers with him will take refuge in Mount Toor until Allaah destroys Ya’jooj and Ma’jooj by sending worms that will eat their necks. Then Allaah will send rain to wash away their bodies into the sea and cleanse the earth of their stench.

Al-Daabah – a great creature which Allaah will cause to emerge when the people become corrupt. It will speak to mankind and exhort them, having the ability to reason and speak. It will make marks on the people’s noses which will distinguish the believers from the disbelievers.

(For more informations, see *Ashraat al-Saa’ah* by Yoosuf al-Waabil or *al-Qiyaamah al-Kubra* by ‘Umar al-Ashqar).

The responsibility of the Muslim is to believe in what was narrated from Allaah and His Messenger. How many wondrous and strange things has Allaah created in this world, which speak of His might and power, may He be glorified and exalted.
